ADMF and Dine and Donates

ADMF hosted two "Dine and Donate" events in April and May. Jagers and City BBQ graciously opened their doors to us and both events were a HUGE success. They were both great days of honoring the life of Alaina, collecting donations, and eating great food. There was a large outpouring of people coming to show their love and support to the foundation and to Alaina's family. Between donations and 20-25% of sales given by Jagers and City BBQ, ADMF received nearly \$2,000!! Thank you again for all who came to the events. Be sure to check out the Alaina Day Memorial Foundation Facebook page or NEW website: alainadaymemorialfoundation.org for the next "Dine and Donate" location hosted by ADMF.

ADMF and Riley Hospital

ADMF was truly honored to go back to Riley Hospital and give "Happy" books, written by Pharrell Williams to the lyrics of Alaina's favorite song. As most of you know, Alaina loved walking the halls of Riley while listening to the song "Happy". No matter how bad she felt, she would make everyone smile as she listened to this song. We couldn't think of a better way to honor our precious Alaina than to share these books. We want other children at Riley Hospital to be strong, brave, and walk "Happy!"

*** Get your copy of "Happy" at our 5K! These books will be available to purchase for \$10!**

ADMF also plans to purchase a Riley Red Wagon in Alaina's honor. The wagon dedication presentation will take place on the stage before the 5K at 12 pm. Please join us as we honor Alaina and give back to Riley Hospital.

ADMF

Alaina Day was a precious little girl who was diagnosed with Neuroblastoma, a pediatric cancer, at just 10 months of age. She endured months worth of difficult chemotherapy, surgeries, and long stays at Riley Hospital, and yet she still danced and smiled her way through that time, touching the lives of many people. Her smile and beautiful personality would light up the room and inspire everyone she came in contact with. In spite of the best efforts, Alaina lost her life in December 2014 at just 17 months of age.

The Alaina Day Memorial Foundation (ADMF) was established to honor the precious life of Alaina and as a way to give back to those that helped her through her battle. While Alaina and her family battled cancer, many in and around the Whiteland community stepped up in a big way to help. ADMF wants to give back in her honor and with her love by providing scholarships to Whiteland Community High School students interested in pursuing a degree in medicine or nursing. While Alaina battled cancer she developed many special bonds with the medical staff in charge of her care, and ADMF hopes these students can develop a bond just as strong with their patients.

ADMF also gives back to Riley Hospital and helps other children and families battling Neuroblastoma. With events such as the "Because I'm Happy" 5K, Dine and Donate events and other fundraisers, ADMF can give back as we know Alaina would want us to.
