

# Message from Alaina's Mom and Dad

It is hard to believe the 6th anniversary of losing our precious Alaina has come and gone already. Words are hard to come by to try and explain the deep loss of a child.....the sadness felt with the constant reminder of what is missing. As much as it hurts, we know Alaina would want us to continue to smile and be "Happy".....that is what she did. She always smiled no matter how bad she felt. She never complained about having cancer. She ALWAYS made others smile and inspired all to keep going.....to keep pushing through things no matter what.....and to show unconditional love. Alaina was inspirational to all and we want to always carry on her memory of helping others. We will carry her with us forever as we strive to be like her.....to be strong like her.....to inspire others like her. Thank you Alaina for being so strong and beautiful during your battle with cancer. And thank you to all for helping us carry on the love and memories of our precious Alaina to others. We are truly grateful for all of you!

## ADMF and Scholarships

Despite the COVID-19 pandemic, ADMF is honored to once again be able to present scholarships to Whiteland Community High School seniors planning to study nursing or medicine. Two seniors will be chosen and each will be the recipient of a \$1,500 scholarship this spring. ADMF is now in our 6th year of presenting these scholarships and after this spring.....we will have presented over **\$30,000** in scholarships!!! We are so thankful to be able to do this as we hope these students can develop an amazing bond with their patients, just as Alaina did with her medical team during her battle with cancer.

## Note from ADMF

We hope this newsletter finds you and your family healthy during this trying time. We want to THANK YOU for your continued thoughts, prayers, and support for ADMF. As you all know, the COVID-19 pandemic has really affected things in 2020 and now into 2021. ADMF has felt the effects of the pandemic, however it hasn't stopped us from trying to give back in Alaina's honor in as many ways as we can. We may have not been able to do our annual "Because I'm Happy" 5K or our various Dine and Donate events, however we have felt the love and support virtually from so many!!! We were able to raise funds with our "ADMF Day" in September, by selling masks/T-shirts, with the generosity from our loyal sponsors, and from donations from people like YOU!!!! Without all of this, our hopes of giving back wouldn't be possible. So again, THANK YOU!!

We are hoping to have a great 2021 and we hope you will join us at some of our upcoming events. We have some new and exciting things planned for 2021 as we strive to raise funds to give back in Alaina's honor, all while keeping in mind the health and safety of our foundation and supporters. We hope you stay well in 2021 and that you will join us for some AMAZING events hosted by ADMF. We know Alaina would be so proud of us.....please help us honor her and show others the feeling of being "Alaina Happy!"
