

ADMF

Alaina Day was a precious little girl who was diagnosed with Neuroblastoma, a pediatric cancer, at just 10 months of age. She endured months worth of difficult chemotherapy, surgeries, and long stays at Riley Hospital, and yet she still danced and smiled her way through that time, touching the lives of many people. Her smile and beautiful personality would light up the room and inspire everyone she came in contact with. In spite of the best efforts, Alaina lost her life in December 2014 at just 17 months of age.

The Alaina Day Memorial Foundation (ADMF) was established to honor the precious life of Alaina and as a way to give back to those that helped her through her battle. While Alaina and her family battled cancer, many in and around the Whiteland community stepped up in a big way to help. ADMF wants to give back in her honor and with her love by providing scholarships to Whiteland Community High School students interested in pursuing a degree in medicine or nursing. While Alaina battled cancer she developed many special bonds with the medical staff in charge of her care, and ADMF hopes these students can develop a bond just as strong with their patients. So far, ADMF has been able to give **\$28,000** in scholarships!

ADMF also gives back to Riley Hospital and helps other children and families locally battling cancer. With events such as the "Because I'm Happy" 5K, Dine and Donate events and other fundraisers, ADMF can give back as we know Alaina would want us to.

ADMF and Scholarships

With generous donations, sponsorships, and funds from the "Because I'm Happy" 5K, ADMF was honored to virtually present three Whiteland Community High School students, interested in medicine or nursing, with scholarships totaling \$6,000 this past May! ADMF wishes these students luck as they start their college careers and we look forward to following them throughout their future.

Recipients of the ADMF scholarships:

Jaskiran Banwait - plans to attend University of Indianapolis and become a RN

Kierra Mitchell - plans to attend University of Indianapolis and become a RN

ADMF and "Because I'm Happy" 5K

Every year ADMF hosts the "Because I'm Happy" Memorial Walk/5K in conjunction with the Greater Whiteland Community Day and each year gets better and better!!! We are saddened to not be able to do our annual 5K this year. Due to the COVID-19 pandemic, our 5K and auctions will be cancelled. As saddened as we are by this, we know this is the best decision to keep everyone safe. We look forward to next years event!!! And.....it gives all of you another year to train for our 2021 5k!!

ADMF Day

With our 5K and auctions being cancelled this year, we have decided to change things up a little. We still want to raise money to reach our goals of giving back. We still want to be able to present scholarships, help Riley Hospital, and help other children battling cancer. So.....we have decided to sell masks and T-shirts AND we want everyone to sport their ADMF gear on ADMF Day - **Saturday, September 26th!!**

Everyone wear their ADMF shirts and masks and take pictures throughout the month of September. Post them to our Facebook page: Alaina Day Memorial Foundation and you will automatically be eligible for some awesome prize give aways!!! Stay tuned for more details and to find out what is in the prize give aways!

September is Childhood Cancer Month and we want to support this and honor Alaina as much as we can!!! Share your favorite memory of Alaina if you have one, do your own 5K or 1 mile walk, or dance and smile while listening to "Happy" and share it with us!!!

September 26th will be ADMF Day as we will be drawing the names for our prize give aways, asking for donations, wearing our shirts and masks, and honoring the precious life of an amazing little girl.
