

ADMF and "Dine and Donates"

ADMF hosted two "Dine and Donate" events in April and May. Jagers and City BBQ graciously opened their doors to us and both events were a HUGE success. They were both great days of honoring the life of Alaina, collecting donations, and eating great food. There was a large outpouring of people coming to show their love and support to the foundation and to Alaina's family. Thank you again for all who came to the events.

Be sure to check out the Alaina Day Memorial Foundation Facebook page for the dates and locations of the upcoming "Dine and Donate" events hosted by ADMF

The bags were packed with some of Riley's biggest needs and we were thrilled they wanted to help us give back to Riley Hospital. We are so thankful Thrivent is joining us in our mission to help as many children battling childhood cancer as we can. Thank you Thrivent! ## ADMF

Alaina Day was a precious little girl who was diagnosed with Neuroblastoma, a pediatric cancer, at just 10 months of age. She endured months worth of difficult chemotherapy, surgeries, and long stays at Riley Hospital, and yet she still danced and smiled her way through that time, touching the lives of many people. Her smile and beautiful personality would light up the room and inspire everyone she came in contact with. In spite of the best efforts, Alaina lost her life in December 2014 at just 17 months of age.

The Alaina Day Memorial Foundation (ADMF) was established to honor the precious life of Alaina and as a way to give back to those that helped her through her battle. While Alaina and her family battled cancer, many in and around the Whiteland community stepped up in a big way to help. ADMF wants to give back in her honor and with her love by providing scholarships to Whiteland Community High School students interested in pursuing a degree in medicine or nursing. While Alaina battled cancer she developed many special bonds with the medical staff in charge of her care, and ADMF hopes these students can develop a bond just as strong with their patients. So far, ADMF has been able to give \$35,000 in scholarships!

ADMF also gives back to Riley Hospital and helps other children and families battling cancer. With events such as the "Movie Day with ADMF", bowling events, Dine and Donate events, and other fundraisers, ADMF can give back as we know Alaina would want us to.

## ADMF and Scholarships

With generous donations and funds from our events, ADMF was honored to present two Whiteland Community High School students, interested in medicine or nursing, each with a \$1,000 scholarship this past May! ADMF wishes these two students luck as they start their college careers and we look forward to following them as they reach their goals in the future.

### Recipients of the ADMF scholarships:

**Reece Davis** - plans to attend IUPUI and become an orthopedic surgeon

**McKinley Garrett** - plans to attend IUPUI and become a pediatrician
