With generous donations and funds from our events, ADMF was honored to present two Whiteland Community High School students, interested in medicine or nursing, each with a \$1,000 scholarship this past May! ADMF wishes these two students luck as they start their college careers and we look forward to following them as they reach their goals in the future.

Recipients of the ADMF scholarships:

Ashlyn Ricketts - plans to attend IU and become a Physician Assistant

Kinsey Shipp - plans to attend IU and become a Physical Therapist

How can you help ADMF?

1. ADMF has our OWN donation account with Riley Hospital to help children and families battling childhood cancer with their biggest needs. Whether it be food, housing, help with bills, travel expenses.....whatever their needs are.....we want to help!!! Now donations can be made straight to this ADMF account and we can determine how the funds are used, where they go, and who they help. Help us help children at Riley by donating directly to this account. **Use the link below or QR code to donate!!**

2. If you know of a child or family battling childhood cancer, please contact us with their information and biggest need.....and we will try to fulfill it if possible. Please go to our website: alainadaymemorialfoundation.org and fill out the form to nominate someone. We know Alaina would be so proud of this part of our foundation as she ALWAYS wanted to help others and make others smile.

ADMF and Helping Families

This right here is what ADMF has envisioned doing all along...when ADMF was established...helping other children and families battling childhood cancer...and now we have been able to DIRECTLY help families from around the U.S. in many ways!!! We have grown enough and reached enough people that we have been able to help families from IN as well as KY, AL, MI, and TX!!! We have helped these families financially, helped provide Christmas for their children, fulfilled Amazon Wishlists + much more. Seeing these families and children smile makes every bit of it worthwhile. Knowing these families can spend time with the child in the hospital because we can help them with the bills that come in keeps us going as a foundation. We are truly proud of this impactful work and we hope to do more of this!!!

ADMF

Alaina Day was a precious little girl who was diagnosed with Neuroblastoma, a pediatric cancer, at just 10 months of age. She endured months worth of difficult chemotherapy, surgeries, and long stays at Riley Hospital, and yet she still danced and smiled her way through that time, touching the lives of many people. Her smile and beautiful personality would light up the room and inspire everyone she came in contact with. In spite of the best efforts, Alaina lost her life in December 2014 at just 17 months of age.

The Alaina Day Memorial Foundation (ADMF) was established to honor the precious life of Alaina and as a way to give back to those that helped her through her battle. While Alaina and her family battled cancer, many in and around the Whiteland community stepped up in a big way to help. ADMF wants to give back in her honor and with her love by providing scholarships to Whiteland Community High School students interested in pursuing a degree in medicine or nursing. While Alaina battled cancer she developed many special bonds with the medical staff in charge of her care, and ADMF hopes these students can develop a bond just as strong with their patients. So far, ADMF has been able to give nearly **\$40,000** in scholarships!

ADMF also gives back to Riley Hospital and helps other children and families battling cancer. With events such as our annual ADMF bowling event, Dine and Donate events, and other fundraisers, ADMF can give back as we know Alaina would want us to.

They were both great days of honoring the life of Alaina, collecting donations, and eating great food. There was a large outpouring of people coming to show their love and support to the foundation and to Alaina's family. Thank you again for all who came to the events.
