## Message from Alaina's Mom and Dad

It is hard to believe it has been 10 years since losing our precious Alaina. Time keeps moving no matter how hard things may be. We carry Alaina's love with us everyday and think of her amazing strength and infectious smile as we try to bring that to others. We really are proud of what we have done in Alaina's honor the past 10 years. We have seen so much joy from those we have helped and that helps our hearts. We want to thank all of you for your continued love and support and for carrying Alaina in your hearts. We are thankful for 10 years of helping make others "Happy" and we can't wait to see what the next 10 years will bring. Thank you!!

*Please let ADMF know of any business or company that would be interested in becoming a sponsor for our events. We would greatly appreciate any sponsors and thank you in advance for your consideration.*

## ADMF and helping children and families battling cancer

One of the **greatest honors** we like to do as a foundation is to help other children and families battling cancer, as we know all too well what it is like for your world to be turned upside down. We received so much support during Alaina's battle with cancer and we want to do the same for others in Alaina's honor. We feel we found our stride as a foundation this past year in being able to help children and families battling childhood cancer.

We hope to help as many children and families as we can and we can use your help with this. If you know of a child or family battling childhood cancer, please contact us with their information and biggest need.....and we will try to fulfill it if possible. Please go to our website: [alainadaymemorialfoundation.org](http://alainadaymemorialfoundation.org) and fill out the form to nominate someone. We know Alaina would be so proud of this part of our foundation as she ALWAYS wanted to help others and make others smile.

## ADMF and Walmart

ADMF was truly honored to be the recipient of a \$1,500 grant from Walmart Optical. We were so thankful to be selected and we love that they are in full support of our goals of giving back. We want to give back in as many ways as we can and help as many as we can, and this grant can help us do JUST THAT!!!! Thanks Walmart Optical!

## ADMF and Scholarships

ADMF is honored to be able to present 2 seniors at Whiteland Community High School planning to study nursing or medicine with a \$1,000 scholarship each this spring. ADMF is now in our **10th** year of presenting scholarships and after this spring....we are nearing **\$40,000** given in scholarships!!! We are so thankful to be able to do this as we hope all of our recipients can develop an amazing bond with their patients, just as Alaina did with her medical team during her battle with cancer.

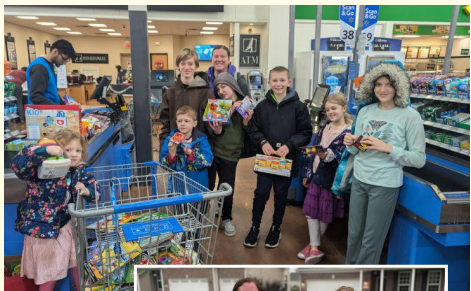

## ADMF and Riley Hospital

ADMF assembled a Thrivent Action Team and had an awesome experience picking out toys and items for Riley Hospital. We focused on the most needed items and delivered them to the hospital before Christmas in Alaina’s honor. All of the items will be used to help children during their stays at Riley or went towards helping them enjoy Christmas. We love being able to help put a smile on a child’s face.

**Please donate to the Alaina Day Memorial Account with Riley Hospital!!**

This account was created to provide support for families at Riley Hospital whose children have cancer with, including but not limited to, temporary housing, rent or mortgage payments, transportation costs (ie. gasoline), medication, repairs, utility bills, and food/grocery needs. ADMF is truly honored and proud to be able to help families in need at Riley. We are so excited for this partnership. We have a link that goes directly to our account. We are asking for any and all that would love to support our ADMF account at Riley to click on the link or scan the QR code and donate! All donations via this link and code go directly to our account with Riley Hospital. You can help ADMF and Riley at the same time!!!

<https://give.rileykids.org/AlainaDayFund>

Please help us help as many children and their families as we can battling cancer at Riley with their biggest needs. We want to help decrease the fears of not being able to pay their bills, to be able to focus on and be there with their child, and to know we are there with them each step of the way. Thank you for your support and generosity for Riley and ADMF!
